

# SOTIF

ISO/PAS 21448

**SAFETY &  
PERFORMANCE**  
*AUTONOMOUS  
DRIVING*

a Sopra Steria company

# SOTIF

## WHY ISO/PAS 21448 MATTERS ?

It focus on:

- Performance Limitations
- Misuse Scenarios
- Emerging Technologies

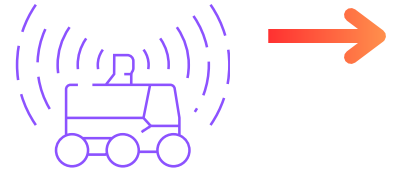

STRUCTURED  
APPROACH TO  
**IDENTIFY AND  
MITIGATE RISK**  
FOR **AV & ADAS**

a Sopra Steria company

# Which Industries ?

- Automotive
- Agriculture
- Mining
- Defense
- Any other off-highway companies

**SOTIF is crucial for any industry** deploying autonomous vehicles in **dynamic** and **unpredictable environments.**

# Why CS Canada ?

- **Trusted partner** of global leaders in **Autonomous Trucking & Robotaxis**
- **Specialists in AV, ADAS**, System & Software Engineering with fail-safe technologies
- Proven track record in **ISO 26262, SOTIF, ISO 21434**
- **Data & AI scientist** powering next-gen autonomous systems
- Tailored frameworks to **accelerate safety and security analysis**
